Cleansing
Solution

Otoact[®]

Otoact is a wax dissolving ear cleanser for dogs and cats. It contains squalene, an effective cerumenolytic, and chamomile which has soothing properties. It is non-irritant and non-oily with a pleasant fragrance. Clinically proven and Dermatologist recommended.

Composition:

- **Squalene** - high cerumenolytic properties
- **Salicylic acid** - keratinolytic and astringent (drying) effects
- **Chamomile** - soothing and softening
- **Tannic acid** - relieves discomfort
- pH 5.5

Uses:

- For removing wax build-up in dogs, cats, puppies and kittens
- Suitable for use in rabbits

How to use

- Fill the ear canal with solution and massage gently for 30-60 seconds
- Remove excess product and ear debris using a cotton pad
- Apply 1-2 times per week ongoing to keep the ears healthy

Clinical Evidence

The comparative cerumenolytic activity of otic preparations, an in vitro study
